

Lion and Lamb Apologetics'

The History of the English Bible

DANIEL B. WALLACE, PH.D.

Dr. Wallace, a fourth-generation Californian, is a member of the Society of New Testament Studies, the Institute for Biblical Research, the Society of Biblical Literature, the American Society of Papyrologists, and the Evangelical Theological Society (of which he was president in 2016). He has been a consultant for several Bible translations. He has written, edited, or contributed to more than

three dozen books, and has published articles in *New Testament Studies*, *Novum Testamentum*, *Biblica*, *Westminster Theological Journal*, *Bulletin of Biblical Review*, the *Journal of the Evangelical Theological Society*, and several other peer-reviewed journals.

His *Exegetical Syntax of the New Testament* is the standard intermediate Greek grammar and has been translated into more than a half-dozen languages. He is the executive director of the **Center for the Study of New Testament Manuscripts** (csntm.org), an institute whose initial purpose is to preserve Scripture by taking digital photographs of all known Greek New Testament manuscripts. In the process CSNTM staff have discovered over ninety New Testament manuscripts throughout the world.
