This curriculum is designed to teach you how to study the Bible with the tools a good pastor would learn to use in a top level seminary.

Why should I bother with this? Because, we can gain so much more from His Word, precepts, and call if we just desire to take the time to learn more of His Word.

[The Reason for the Exegetical Method](#)

The basics of understanding Bible Study methods, how to learn from and about God's Word is basically simple, do it. But what we do not want to do is do it bad or erroneous. Understanding Biblical Literature

Genres in the Bible

The Bible is literature, as is any book, filled with many kinds or types of language. It has Law, History, Wisdom, Poetry, Gospel, Epistles, Prophecy, and Apocalyptic Literature.

Expositional Imposters

Mark Dever rightly describes Expository Preaching as "preaching that takes for the point of a sermon the point of a particular passage of Scripture." However, I have heard many sermons that intend to be expositional, yet fall somewhat short. Below are seven pitfalls that one might try to avoid. Each of these pitfalls either doesn't correctly make the message of the passage the message of the sermon, or doesn't make it a message to that congregation at all.

The Diabolical Intent of Satanic Exegesis

The literal interpretation of a biblical text is not always the best interpretation.
