Research on Open Theism

VARIOUS SCHOLARS

This listing of 149 excellent resources on the subject of Open Theism was posted on the Monergism.org website—which I highly recommend! It includes web pages, PDF files, Audio/MP3 files and video files.

This debate on Open Theism began two decades ago, and, while some concrete decisions have been made regarding whether Open Theism is orthodox or not (*it isn't*), the debate is still ongoing. Here you will find more than one position being presented. **Therefore, I issue this caveat: Be a Berean!**
