## Lion and Lamb Apologetics' ABOUT THE BLESSING TREE

The blessing tree was born out of a desire to show more gratitude to the Lord every day for who God is and what he does in our life!

The idea to do this came at Christmas 2018 and we began researching scriptures in 2019 to go with all the different blessings for an entire year. We wrote each blessing on a little price tag, which we call "priceless tags"!! On the back of each tag we have written the scripture reference for the key verse.

That first year we put all the blessings in a beautiful box and selected one each day and read all the scriptures that we had found for that day's blessing. We thanked God for that blessing and hung the blessing tag on a little Christmas tree which we named "The Blessing Tree".

The blessing tags cover the entire tree now and it has been a joy to research all the thousands of scriptures for 366 days of blessings! Our research has been exhaustive and because there are far more blessings than 366, we have included some miscellaneous pages of blessings – most of which are not mentioned in the Bible. You might even want to make a list of your own blessings! Also, it is impossible to include all the many scriptures there are for each blessing so you will probably find many others that are not listed! We have organized the blessings to include holidays and special days at the appropriate time of year. Not all will fall on the exact date because many of them change dates from year to year.

Our dream to someday compile this in a book has become a reality! It is now available on Amazon! Click here to order: <u>Buy The Blessing Tree</u>.
