## 2024 Ministry Year Report!

- ☞ This past year has been a challenge for us in many ways. In April, I developed some issues with my heart when my A-Fib got out of control. I now have two Cardiologists, a defibrillator, visits to three different Texas Health hospitals, three Cardioversions and a heart ablation. But God has been good, and I am doing exceedingly well now—and I am meticulously following “Doctor’s orders”!
- ☞ In the past two weeks Marlene has had cataracts removed from both eyes and continues in the healing process right now. It will be January before she will be able to receive a new prescription for her glasses—but already her vision has improved immensely!
- ☞ We both appreciate your prayers!
- ☞ I just checked the daily report from our website host and am excited to report that we now have people from 118 countries making use of our research. The daily visitation count has been increasing and some days we see as many as people from 8-10 different

countries making use of our material. We have no way of knowing who is viewing any specific topic, but we do know which topics are viewed every day.

- ☞ That being said, as we approach the end of this year, may I ask you to prayerfully consider a special **End Of The Year Gift to Lion and Lamb Apologetics**? We certainly do appreciate those who make monthly donations. But right now some special large gifts would really be encouraging to us!
- ☞ **We are going to have to replace our main desktop computer which is well over 10 years old and is now gasping for breath.** Because our website is so massive we need two very large solid-state drives for data storage—at least 4TB each—as well as massive amounts of processing memory.
- ☞ The best likelihood ballpark figure is \$2000, which we currently do not have available. To date we have received \$310 toward this goal, so we are turning to God’s people to ask for financial help at this time. *Even a one-time gift would be greatly appreciated!* **Can we count on your support?** Click the “Support” button below or mail your check to the address at the bottom of this page!
