Concise Theological Essays on God

THE GOSPEL COALITION

For more than a decade, The Gospel Coalition has been publishing a wide range of articles, podcasts, videos, books, and more. This work is driven by an observation in our [Foundation Documents](#):

We have become deeply concerned about some movements within traditional evangelicalism that seem to be diminishing the church's life and leading us away from our historic beliefs and practices. On the one hand, we are troubled by the idolatry of personal consumerism and the politicization of faith; on the other hand, we are distressed by the unchallenged acceptance of theological and moral relativism. These movements have led to the easy abandonment of both biblical truth and the transformed living mandated by our historic faith.

Over the years, our resources have targeted each of the concerns outlined in that statement, and these challenges continue to drive our expansion of new content formats such as a [catechism](#), free online [courses](#), and [devotionals](#). We're excited to announce our latest offering—a series of 250 [theological essays](#).¹
